INTRODUCING THE

# “RZR”

Adventure running at its finest!

We call it the “Razor”. You can call it the most adrenaline-packed 5k in the Northwest! Designed for intermediate to advanced runners, the RZR will lead you through the rugged hills of Heise, with a combination of trail and road running....

...oh, and did we mention the ziplines you will ride along the way?

“The zipline 5K is going to be the new hit; look out color runs and mud runs. This was a run like never before.” - Cathy Johnson

The first RZR event will be held in August 2014 and space will be limited. Call now to reserve your spot!
